

B.L.A.S.T.

“Bring Learning and Stories Together”

B.L.A.S.T. class offers fun, interactive, hands on learning through a literacy based program for children ages 3 to 5 years old. Our approach for learning is fun. Each day we will read a book and enjoy art, music, songs, games, early math concepts, simple science experiments, cooking and even geography! Our possibilities are limitless and learning becomes effortless. Through a variety of activities we are able to reach children that have different learning styles. Another wonderful skill we focus on is listening, whether it is listening to the book being read or a variety of listening skill activities. This skill will become second nature. Each month you will receive a newsletter that will keep you up to date on our planned activities, snacks and special events.

Please Note Your child MUST be potty trained. Class size is limited to 15 students. Registration forms are available at the front desk of the Saginaw Recreation Center.
