SUBJECT: Consideration and Action regarding Request from S&S Concrete Contractors for Exemption to allow concrete pours at 451 East McLeroy Boulevard outside the hours of 6:00 a.m. to 9:00 p.m. (*Approved for 1 month on 10/6/2015; Approved for 1 additional month on 11/3/2015-Per Council Action to be re-evaluated after 1 month*)

BACKGROUND/DISCUSSION:

This item was originally discussed at the October 6, 2015 City Council Meeting. At that meeting the Council took action to “approve the request from S&S Concrete Contractors to allow concrete pours to begin as early as 4:00 a.m., Monday through Friday, for the three large buildings mentioned in the request for a period of one month and at the end of one month the request will be re-evaluated”. The Council re-evaluated the request at the Council Meeting on November 3, 2015 and took action to “approve one additional month and re-evaluate the request at the first meeting in December”.

Consideration and Action regarding Request from S&S Concrete Contractors for Exemption to Allow Concrete Pours at 451 East McLeroy Boulevard outside the hours of 6:00 a.m. to 9:00 p.m.

Director of Public Works White explained that current ordinances only allow construction work between the hours of 6:00 a.m. and 9:00 p.m. on week days. Any variation to these hours must be approved by the City Council. He stated that S&S Concrete Contractors, the contractor for the concrete work on the Mariposa project, has requested permission to allow concrete pours to begin at 4:00 a.m. He added that the concrete work will take two to three months to complete. He also stated that there will not be concrete pours every day. There was a brief discussion regarding the possibility of noise from the construction site.

(Councilmember Flippo arrived during this item.)

Motion was made by Councilmember Barngrover with a second by Councilmember Nethery to approve the request from S&S Concrete Contractors to allow concrete pours to begin as early as 4:00 a.m., Monday through Friday, for the three large buildings mentioned in the request for a period of one month and at the end of one month the request will be re-evaluated. BACKGROUND/DISCUSSION:

This item is for consideration of a request from Mr. Ralph Sears, President of S&S Concrete Contractors, Inc. His company is the contractor for concrete work at Mariposa. The Mariposa project is located at 451 East McLeroy Boulevard next to the Spring Hollow housing addition. He is requesting approval to allow concrete pours to begin at 4:00 a.m. City Ordinance does not allow this type of work to begin before 6:00 a.m. without approval from the City Council.

Nan

This is a request for construction outside the approved hours of construction from the noise ordinance. I have provided a copy of the ordinance below for your review. I feel the distance away from the residential subdivision and the tree line will buffer the noise but cannot say we will not get complaints. I also agree with the traffic impact statement in the request.

Subject: Mariposa at Spring Hollow – Concrete Pours (451 E. McLeroy Blvd.)
Requesting Exemption from City of Saginaw for Early Concrete Pours

My company is doing the concrete foundations and paving at the above location. I would like to pour early between 4:00 am and 5:00 am. The pour will start on the East side of the project. This is at least one (1) block from any houses on the *Spring Hollow* job. Also, there are also trees located on the property that will serve as a *noise buffer*. We always point our Light Tower in the direction AWAY from residential and business property. I personally drove over to the nearest residential home on Spring Hollow while the excavation heavy equipment was in Full-Operation and I could not hear any noise from the job site.

I have three (3) rather large buildings on the east end of the project. The other buildings are smaller and I can pour at 6:00 am since there are not high yardage foundations.

Our goal is to not disturb anyone and pouring these larger slabs will keep the concrete truck traffic to a minimum on East McLeroy Blvd. at the 7:00 am traffic rush. We will also have a street sweeper on hand and traffic control. Our trucks will wash out in our wash out pit before leaving the job.

I did visit the Saginaw Police Captain and receptionist to explain our situation and was not advised to call anyone else. I also spoke with my inspector about pouring early and as a former resident and homeowner in Saginaw I understand your concern.

I can be reached at (817) 825-5281 – cell or (817) 332-2253 – office.

Thank you kindly for your consideration to this matter.

Sincerely,

RALPH SEARS, President
S & S Concrete Contractors, Inc.
